Calling Frank Hobbs Green Thumbs!

Have time on Mondays at lunch break? Now that spring is officially here, come get your hands dirty and help out in the Frank Hobbs garden! Students and parents welcome!

Hope to see you soon!

A Special PAC Fundraising Ask

Recently, flyers were sent home asking for donations for an Apollo Spinner - an exciting potential addition to this summer's new playground. If an extra \$5,000 is raised, this amazing piece of play equipment can be added to the new playground.

Donations can be sent to the main office until the end of May. Please make cheques payable to 'Frank Hobbs PAC'. If your donation is for over \$25 and you would like a tax receipt, please make your cheque out to 'Frank Hobbs Elementary School'.

As always, please check out the PAC website at frankhobbspac.ca to get updates on the playground plans for the summer...such an exciting time for our school!

What's your vision for the future of Cadboro Bay?

The District of Saanich is currently updating the Cadboro Bay Local Area Plan (LAP). Great neighbourhoods are great because of community involvement, careful planning, and thoughtful urban design. The Cadboro Bay LAP will guide growth and future development in the local area and the Cadboro Bay Village for the next 20 to 30 years.

There are a number of ways for the school community to get involved: bring your ideas to public workshops, open houses, and upcoming events in the community. Learn more and sign up for project notifications at: saanich.ca/cadboro

You can also contact Jennifer Kay (jennifer@dingle.ca), Frank Hobbs parent and volunteer member of the Cadboro Bay Local Area Plan Advisory Committee, if you have any questions or ideas to share.

THANK YOU!
The PAC Team
