FAMILY DAY

NO SCHOOL

MONDAY, FEBRUARY 15TH

Pro D Day

SIGN IN AT THE OFFICE!!

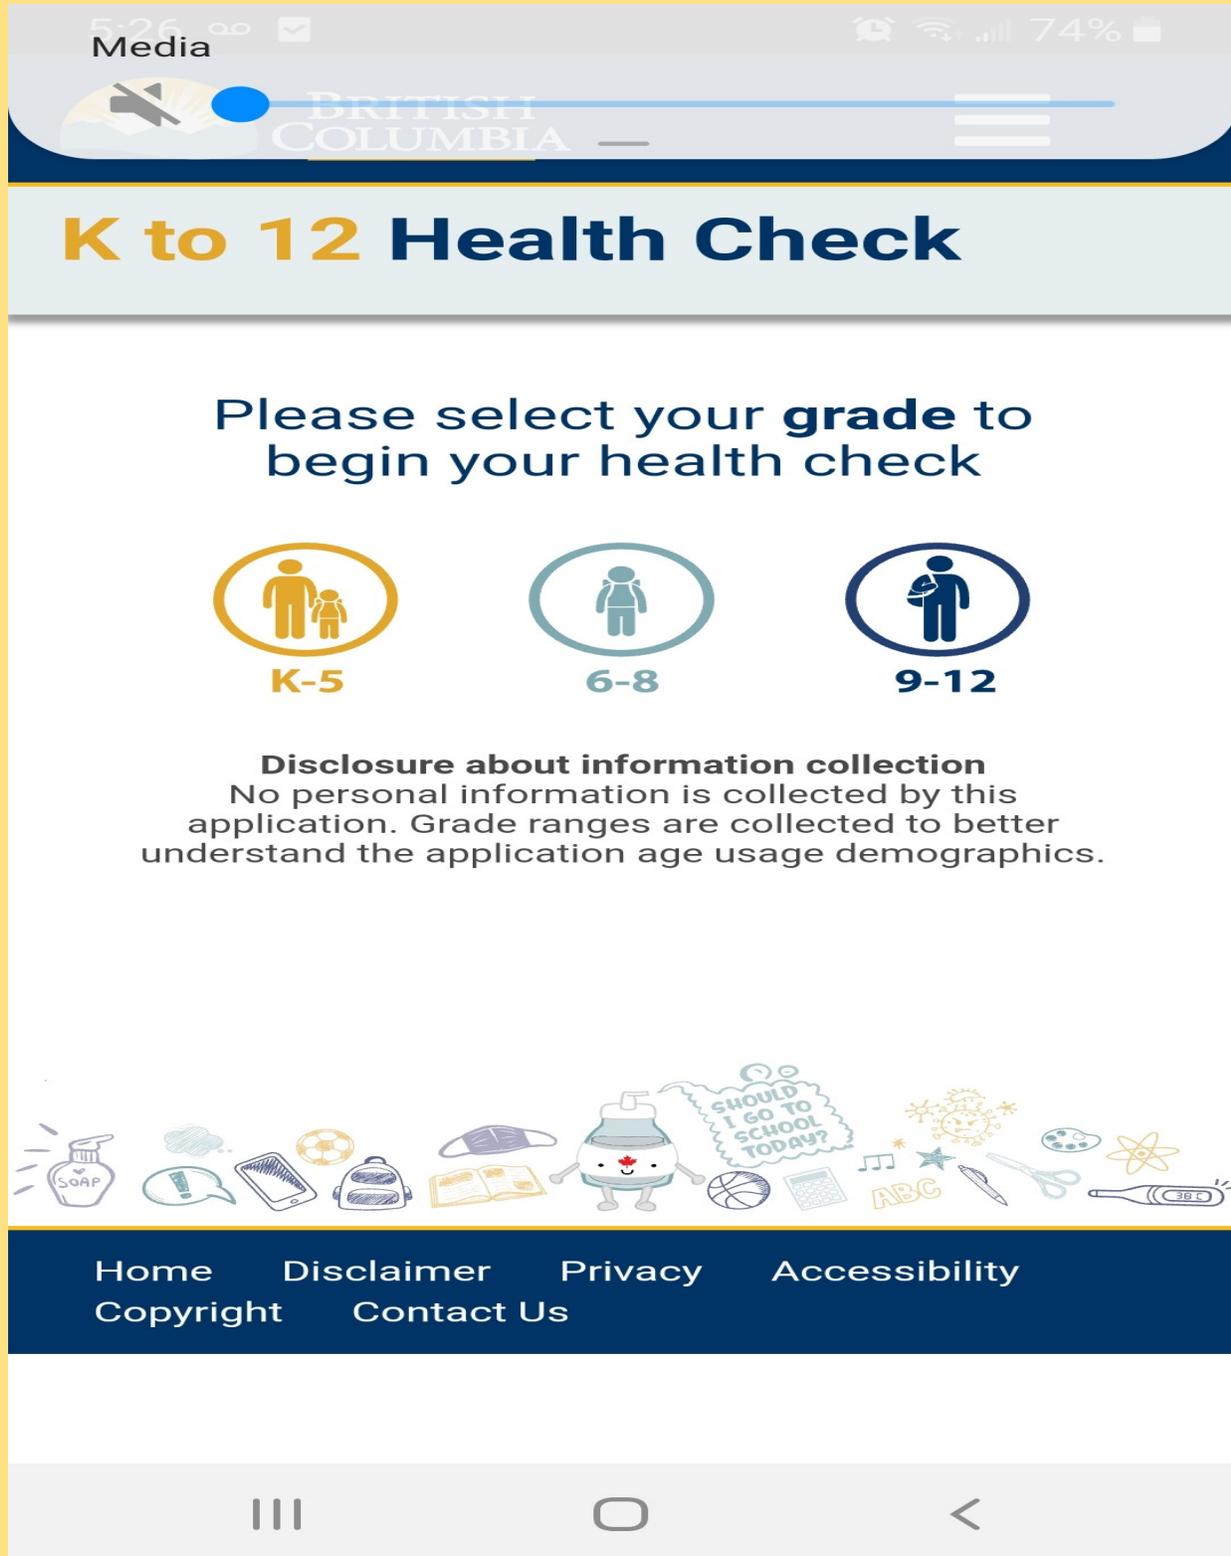

Please remember when your child arrives late to school, you must sign in at the office.

If you take your child home early, you must sign out at the office.

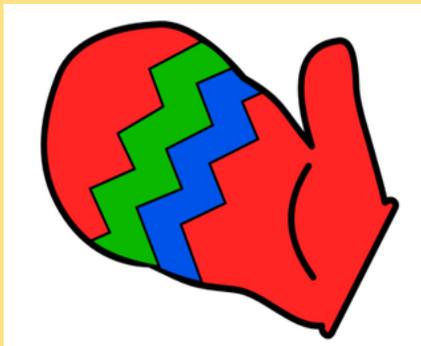

New K-12 Health Check App

The Ministry of Education and Public Health have created a daily health check website and mobile app for students and their parents to complete before heading to school in the morning. The website and the app will contain the most up-to-date BC health guideline information. If your child is not feeling 100% you can use this app to help you make the best decision on whether to attend school, or take other measures based on the information you provide. The health check application is available online as a mobile enabled website, an iPhone application, and a Google Android application.

Reminder

The school would appreciate it if parent and caregivers reminded their child that during this COVID pandemic we need to maintain a no-touch policy at school. This includes hugging our friends when we see them and rough and tumble play.

Friendly reminder that the on-site parking is for staff only. Parents please do not occupy these parking spots. We welcome you to park on the street and walk into the school grounds to collect your children.

Please be reminded that parents and caregivers are expected to leave the school ground immediately at the end of the school day. Gathering in groups on the playground is not consistent with our provincial health guidelines. The only adults and students that should be seen on the playground at the end of the day are those who are a part of the Frank Hobbs Out of School Care Program. These children are all part of one cohort, and we are trying to maintain physical distancing for their benefit. Maynard Park is close by if you would like your children to use a playground after school hours.

Frank Hobbs Staff

We are happy to let you know that we have a new Administrative Assistant in the office. Please help us welcome Ms. Dawn Johnstone To our school!

Notice from Saanich

Dear parents/guardians,

The district of Saanich is undertaking an infrastructure project on Hobbs St. at Maynard St. The project includes the design & installation of a raised crosswalk, separated concrete sidewalk with non-mountable curb, as well as a new painted crosswalk across Maynard St. This project aims to improve safety for pedestrians using these connections to & from Maynard Park and Frank Hobbs Elementary School.

This crosswalk project fulfills recommendations from the Active Transportation Plan & aligns with recommendations from the Safe Routes to School (SRTS) Program that helps schools identify opportunities to encourage & support active trips to school. Upgrading the crosswalk at Hobbs St. & Maynard St. along with sidewalk improvements will increase safety & comfort for pedestrians.

Traffic delays may occur in this area during construction, Monday-Friday business hours. Property owners directly impacted will be notified of the construction & to expect delays while it's being done.

The construction is anticipated to being in February 2021 and should last for approximately 3 weeks.

Visit www.saanich.ca for more information & to keep up to date on project progress. If you have any questions or concerns, please contact the Project Manager Lauren Hermansson @ 250-475-5494 ext 3454 or email lauren.hermansson@saanich.ca

PINK SHIRT DAY

bullying stops here

PINK SHIRT DAY!

Wednesday, FEBRUARY 24, 2021

Pink Shirt Day is the day we bring more awareness to the issue of bullying in our schools and workplaces.

We encourage everyone to wear pink on Wednesday, Feb. 24th.

We here at Frank Hobbs know the importance of kindness and respect that is to be shown not just on one day of the year.
