Special Days

March 12th- Dress as your own Adventure wear an outfit that reflects your activities and interests real or imaginary.

New K-12 Health Check App

The Ministry of Education and Public Health have created a daily health check website and mobile app for students and their parents to complete before heading to school in the morning. The website and the app will contain the most up-to-date BC health guideline information. If your child is not feeling 100% you can use this app to help you make the best decision on whether to attend school, or take other measures based on the information you provide. The health check application is available online as a mobile enabled website, an iPhone application, and a Google Android application.

Reminders

Physical Distancing

The school would appreciate it if parent and caregivers reminded their child that during this COVID pandemic we need to maintain a no-touch policy at school. This includes hugging our friends when we see them and rough & tumble play.

Playground Before/After School

Please be reminded that parents and caregivers are expected to leave the school ground immediately at the end of the school day. Gathering in groups on the playground is not consistent with our provincial health guidelines. The only adults and students that should be seen on the playground at the end of the day are those who are a part of the Frank Hobbs Out of School Care Program. These children are all part of one cohort, and we are trying to maintain physical distancing for their benefit. Maynard Park is close by if you would like your children to use a playground after school hours.

Parking

Friendly reminder that the onsite parking is for staff only. Parents, please do not occupy these parking spots. We welcome you to park on the street and walk into the school grounds to collect your children.

Signing In/Out

Sign in/out at the office. Please remember when your child arrives late to school, you must sign them in at the office window...AND if you take your child home early, you must sign them out at the office window.
