### 2024/25 School Supplies for Students: Important information for Families

#### For students entering Grades 1-5 in September 2024:

- A list of required school supplies can be found here: <https://frankhobbs.sd61.bc.ca/wp-content/uploads/sites/52/2024/05/2024-2025-School-Supply-List.pdf>
- The Frank Hobbs Parent Advisory Council (PAC) has worked with Teacher's File to create 'supply kits' for each grade that you can pre-order. Order online through the Teacher's File website at <https://packs.teachersfile.ca/schools/241>. Please review the school supply list to determine quantities needed. Kits will be delivered directly to the school. Orders placed after July 31st may be subject to a \$5.00 late processing fee, and only available while supplies last.
- The Teacher's File kits are totally optional, and parents can also choose to purchase their own supplies if they would like.

#### For students entering Kindergarten in September 2024:

- **Please do not buy any school supplies for your child entering Kindergarten.**
- For the 2024/25 year, school supplies for all Kindergarten students will be ordered in bulk by the Frank Hobbs Parent Advisory Council (PAC) and delivered directly to Kindergarten teachers. This saves parents time and money. The cost of purchasing bulk supplies is cheaper than families buying supplies individually, and this provides consistency for the classes.
- All required supplies for Kindergarten students will be ordered by the PAC and delivered directly to classroom teachers.
- We ask that if you can, please pay \$35.00 for each child to cover the cost of supplies. Parents can make this payment in September through an online 'hot lunch' website that the PAC uses to receive payment for different things. You will receive instructions for accessing this website in September. All funds will be used to pay for students' school supplies.
